

Centre for
NATURAL MEDICINE
Naturopathic Health and Wellness Clinic

We are please to announce that the doctors at The Centre for Natural Medicine are able to offer in-person procedure appointments for non-urgent patient care. This includes appointments for acupuncture, Bowen therapy, intravenous, and injection therapies. To comply with COVID-19 occupancy limits and social distancing guidelines, we will continue to offer telephone or video consultations for follow-ups where suitable. *If you prefer an in-office consultation, please speak with the front desk to arrange a suitable time for you to attend.*

All in-office appointments will be screened for any symptoms of cold/flu/fever and travel. When you arrive for your appointment, we ask that you kindly call our office at 204-488-6528. We will guide you further for entry into the building. Hand sanitizer is available upon entering and exiting the building and all surfaces are disinfected regularly.

Product purchases will continue to be available through curbside pick-up. Give us a call and we will process payment and set your items aside. Just call when you arrive, we will meet you at the back door with your package. Parking is temporarily available behind the building (for pick-ups only).

Our current office hours are Monday to Friday 9am to 5 pm. Call for Saturday hours.
